Can – Spam Act

Using a search engine of your choice, do research on the Can-Spam Act. In a word document, answer the following questions:

What is the act?

When was it created?

What are the laws main provisions?

What are the penalties for violating the act?

What was your source for your information?

Have you seen examples of people violating the act? Explain.

**Save your document on your H drive.
Do not print, I will explain how to turn it in.**
